| Todor Arsov     | Zrnovci    |
| Vidoe Podgorec  | Novo Selo  |

The renovation process will begin in January 2010 and will last until September 2010. Selection of the best qualified vendor, for each project, will be performed through an open tender where the offers will have chance to be present during the process of opening the bids.

At the end of this project, which will be in 2011, the number of schools that has been renovated will raise up at 100.
